

Notice of Public Information Centre

Point Abino Road South Road Reconstruction and Shoreline Protection

The Town of Fort Erie has initiated engineering design for the Point Abino Road South Reconstruction Project. Point Abino Road South is a rural road located in the south western portion of the Town of Fort Erie along the shores of Lake Erie. The project limits begin approximately 250 metres south of Erie Road and end at Abino Hills Road. The project consists of full road reconstruction, watermain and service replacement, and shoreline protection reconstruction.

Public consultation of the proposed design is an important component of the project. As part of the public consultation for this project, a formal Public Information Centre (PIC) is being planned to provide interested parties with an opportunity to provide input. This is a pre-approved Schedule A+ Municipal Class Environmental Assessment (MCEA) project. Those attending the PIC will have an opportunity to meet with the Project Team and discuss issues related to the project. The PIC will take place on:

Wednesday April 26th, 2023

3:00pm to 6:00pm

at the

Ridgeway Fire Hall #4 – Meeting Room

148 Ridge Road South, Ridgeway, ON L0S 1N0

If you would like to learn more about the project and unable to attend the PIC additional information can be found at the following website: letstalk.forterie.ca

Select: **Point Abino Road South - Road Reconstruction and Shoreline Protection**
